COMET SPA INTERIOR

ESTABLISHED 2007

LÖYLY ONE

ONE PERSON FINNISH SAUNA

REAL HEAT. COMPACT LUXURY.

110 × 90 × 195 CM

PRODUCT CATALOGUE

COMPACT WELLNESS

Private sauna. Minimal footprint.

A complete Finnish sauna experience engineered for contemporary interiors.

DESIGNED TO BELONG

LÖYLY ONE brings authentic dry heat into a refined, space-conscious cabin.
Its warm Thermowood interior, smoked-glass door and champagne exterior create
a quiet architectural object suited to bathrooms, bedrooms and private wellness areas.

01 **ONE PERSON**
Purpose-built seating and ergonomic backrest.

02 **REAL STONES**
Traditional heater with sauna-stone basket.

03 **AMBIENT LIGHT**
Integrated warm LED illumination.

04 **DIGITAL CONTROL**
External Dixell temperature interface.

Warm timber inside. Durable architectural surfaces outside.

MATERIAL PALETTE

INTERIOR

Thermowood lining and bench

EXTERIOR

Matte champagne aluminium

DOOR

Smoked tempered safety glass

DETAILS

Brushed stainless steel

LIGHTING

Warm integrated LED strips

THE FINNISH RITUAL

Heated stones create the classic sauna atmosphere. A light splash of water over the stones produces löyly - the brief wave of steam at the heart of Finnish bathing.

THERMAL COMFORT

Insulated enclosure supports stable heat and efficient warm-up.

CLEAN INTERIOR

Slatted floor, guarded heater and considered ventilation layout.

PREMIUM PRESENCE

A compact cabin with the finish quality of a bespoke spa interior.

TECHNICAL PLANNING

Compact by design

Overall cabin dimensions and access arrangement.

DIMENSION SCHEDULE

OVERALL WIDTH
110 cm

OVERALL DEPTH
90 cm

OVERALL HEIGHT
195 cm

CLEAR DOOR WIDTH
70 cm
